

A photograph of a modern glass skyscraper at dusk. The building's facade is composed of a grid of glass panels, some of which are illuminated from within, creating a warm glow. A large white circle is superimposed over the center of the image, containing the website address. The sky is a clear, deep blue.

# ... with an entry in the mhp company directory

Nowadays, more than half of all doctors are digital natives. This means that the Internet was already widely in use when they began their careers. For the majority of doctors and their staff, digital technologies are therefore a natural part of their professional practice. That is why your company should be present where your clients go to get information.

The fastest way to your company's entry is via a direct search in a company directory. When a client searches for your company, your brand or the keywords entered by you, your entry will open. Articles from our website containing information on your company are linked to your entry and appear together with your individual company profile and product descriptions.

## Our offer:

Select one of three booking options:

Bronze, Silver or our comprehensive Gold entry.

Booking options	Bronze	Silver	Gold
